SoulSync

Version 5.8
Updated July 6, 2026

1. SoulSync Mobile Application End-User License Agreement (EULA)

Welcome to SoulSync, a mobile application by Light Mandalas Co., Ltd. By downloading and using this application, you agree to the following terms:

1.1 License & Usage

Light Mandalas grants you a limited, non-transferable license to download and use the application, SoulSync, for personal or business purposes.

To enhance your experience, we may update the app and modify this EULA from time to time. By continuing to use the application, SoulSync, you accept these updates.

While improvement and maintenance may be provided, we are not obliged to offer ongoing support. We ask that you use the application, SoulSync, responsibly for ensuring that your usage does not disrupt or harm others.

1.2 Privacy, Security & Terms

Your privacy matters to us. Light Mandalas does not collect any personal data from the app, ensuring your information remains private.

We reserve the right to suspend or terminate access to the application, SoulSync, at any time. If any intellectual property concerns arise regarding the app, Light Mandalas Co., Ltd. will take full responsibility for addressing them.

2. SoulSync Application

2.1 Application Setup

The Light Alchemy app is available on iOS and Android. Download it from the App Store for iOS or the Google Play Store for Android. For users in China, please download it from <https://light-mandalas.com/application/>

IOS (App Store)

Play Store (Android)

2.2 Pairing Bluetooth with Mandala Scan

Tap the "Setting" icon at the bottom right, then select "Setup Mandala Scan." The app will search for nearby devices. Choose the displayed serial number to connect via Bluetooth.

2.3 Inner Balance Scan

User can scan their inner stress levels by choosing “Smart Scan” or “Select Library”.

2.3.1 Smart Scan

For **Smart Scan**: Once the scan is complete, your affirmations will be displayed. You can tap the available icons to play your affirmations. Saving affirmations to your device, exporting them as PDFs and recording your own voice are available only with a Pro subscription.

Note: Users with the free version can listen to their affirmations but cannot use these Pro features.

2.3.2 Library Scan

For **Library Scan**: Select a Library category and tap “Confirm”. After the scan is complete, the program will appear in Mindful Playlist: Inner Balance Scan. The free version has limited Library categories. Upgrade to the Pro version for full access.

The scan results will appear along with your personal affirmations.

Pick your desired categories and then press “Confirm.”

Adjust the volume between the Affirmation and music.

- Press this icon to listen to the Affirmation.

- Press this icon to edit the name of the playlist.

- Press this icon to go back to the previous page. (only in Pro Version)

- Press this icon to save the Affirmations as PDFs or as sound files. (only in Pro version)

- Press this icon to record your voice to use for your own personal affirmations. (only in pro version)

2.4 Mindful Playlist

Mindful Playlist is a Pro feature. Upgrade to the Pro version to create and manage your own affirmation playlists.

How to Use the SoulSync App - Effortless Subconscious Clearing in 7 Simple Steps

The SoulSync iOS application is a transformative tool that helps you identify and dissolve subconscious blockages, emotional patterns, and limiting beliefs, empowering you to live in greater harmony and alignment. Follow this intuitive guide to begin your personal healing journey.

Step 1: Scan for Subconscious Patterns

Start by launching the SoulSync app and initiating a Mandala Scan using HRV (Heart Rate Variability) biofeedback. This advanced scan mirrors your subconscious state and reveals hidden emotional blocks or negative belief patterns influencing your daily life.

Step 2: Reflect on the Result

Review the scan output. It may show beliefs such as: *“I feel the world, people, and my workplace are unsafe.”*

Reflect deeply which real-life experiences may have contributed to this belief? Bring each moment into awareness, one at a time. This conscious observation kick-starts the clearing process.

Step 3: Create a Transformative Affirmation

Craft an affirmation that directly counters the limiting belief. For an example, following the scan output from Step 2, you might say: *“The world and people are safe and friendly.”* This affirmation will be the seed for reprogramming your subconscious.

Step 4: Read Your Affirmations Out Loud

SoulSync will provide a full paragraph of affirmations based on your scan. Read them out loud once or twice. This verbal reinforcement begins the neuroplastic shift.

Step 5: Record Your Voice

Press Record within the app and speak your affirmations clearly and calmly. Your voice carries your energy; it’s the key to resonant transformation.

Step 6: Mix with Self-Hypnosis Music

After recording, adjust the mix to 70% music volume and 30% voice recording. The blend of your voice, binaural beats, and self-hypnosis audio deepens your brain’s receptivity. Export the audio to .m4a format to keep listening offline anytime.

Step 7: Listen Nightly for 21 Days

Play your personalized audio for 20 minutes each night before sleeping.

Why before sleep? This taps into the hypnagogic state, a doorway to the subconscious where transformation happens faster and deeper. Repeat for 21 consecutive days to fully rewire your mental-emotional landscape.

Bonus: Accelerate with Light Alchemy

For faster results, combine SoulSync with the Light Alchemy device. The synergy of pulsed light stimulation will amplify vibrational alignment, induce deeper entrainment, harmonize the mind, body, and energetic field in less time

Transform your patterns. Reclaim your power. Awaken your light.
