

User Manual

Mandala Violet Shield

Please read the manual before using the tools.

Version 6.3
Updated 1st Jun 2026

1. General Notes

1.1 Product Feature and Intend Use

Mandala Violet Shield is a sleek, portable wellness device designed for energetic protection and purification. Using UV-C light, plasma technology, and harmonic frequencies, it neutralizes negative energy, clears blockages, and stabilizes your auric field. The Violet Shield helps create a high-vibration environment, supporting physical, emotional, and energetic well-being.

Pair it with the Violet Shield app, which allows you to customize over 1,800 pre-programmed frequency settings for personalized energy balancing. The app also includes preset programs for immediate use. Additionally, by integrating Mandala Scan, you can analyze your body's energetic state and select the most coherent frequency for optimal protection.

Your Mandala Violet Shield has been quality-tested and is ready to support your wellness journey—anytime, anywhere.

1.2 Product Details

- Light Frequency Modulator for well-being.
- Uses Electronic Circuit Control.
- Uses UV-C Lamp as output.
- Support Bluetooth for Mobile Control.
- Use the Jack Output 3.5 mm to listen to music through the device.

1.3 Safety Warnings

- Check all accessories upon unboxing.
- Read and follow all safety instructions in the manual.
- Do not turn on and inhale the gas for a long time.
- Do not turn on the water or in the wet area.
- Do not disassemble unless you are a qualified technician.
- Avoid placing the device near heat sources such as stoves.
- Use only the power voltage specified in the manual.

1.4 Warranty

- Your Mandala Violet Shield includes a one-year warranty from the date of purchase.
- If you experience any issues, contact customer support immediately.
- The warranty does not cover damage due to:
 - Misuse or neglect
 - Unauthorized modifications or disassembly
 - Customs/import fees or indirect damage
- If repairs are needed due to misuse, all costs (including shipping) will be the user's responsibility

1.5 Important Precautions

- Do not use the device if it appears damaged. Contact support.
- Ensure the correct voltage for your country before use.
- Charge for at least 1 and a half hours before the first use.
- Keep dry – avoid rain, high humidity, heat, and dust.

1.6 Maintenance

- If unused for a while, charge the device for 2 hours before use.
- Use a soft cloth or water-based glass cleaner for maintenance.
- Keep the device clean to ensure proper performance.

1.7 Product Includes

- Mandala Violet Shield
- USB Type-C cable

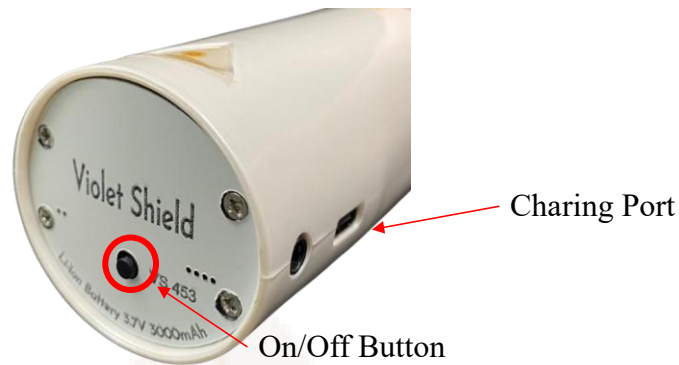

2. Technical Data

2.1 Specifications

Product name:	Mandala Violet Shield
Color:	White
Material:	ABS, acrylic, stainless steel
Pressure:	5V DC
Charging Interface:	USB Type-C
Battery:	Lithium polymer 3.7 V/3300mA
UV Wavelength:	185-254nm
Signal Frequency:	1Hz – 25 MHz
Bluetooth:	Bluetooth 5.0
Length:	47 mm.
Width:	36.20 mm.
Height:	219 mm.
Weight:	165 g.
