### Maharishi Light Therapy with Gems

"I am most grateful for the profound effects of Maharishi's Light Therapy with Gems. After my first treatment I felt completely nourished and balanced. I had a sense of deep transformation within my physiology. I feel calmness and clarity increasing during and after all my treatments. Months later, this experience still continues. I realize that even in very difficult situations, I remain calm like a pearl at the bottom of the ocean." -Adile Esen, Turkey
