1 General Notes

1.1 Product Feature and Intend Use

Thank you for using Light Mandalas Product. Mandala Astral Star have been in good condition before leaving factory.

Mandala Light Alchemy Pulsar is a powerful device which has 16 million solid state light sources programmed to recreate the spectral resonances for libraries of elements in periodic table, trace minerals, amino acids, and outputs the precise colors representing each of them. The new added function – frequency of **Element's Atomic Weight Numbers** allowed the device to have more precise and powerful light colors pulses.

It has useful features such as:

1. Audio mode that can pulse the light according to the **sound frequency** to generate a supportive connection between Light and Sound resonance.
2. Control by Android tablet application with plenty of **Spectroscopic light libraries** and frequency list.
3. Integrated with Mandala Scan to receive biofeedback during meditation.

The frequencies emitted trigger the body to rebalance itself by supplying the nervous, endocrine and immune systems with the information they require. The light frequencies, light nutrients, ex: amino acids, gold, oxygen, etc., assist to bring vitality and well-being back into all the 'bodies' creating a complete balanced being, and clarity toward inner-peace.

Mandala Light Alchemy Pulsar is a complete, all-encompassing 'Pulse, Color, Light and Audio Therapy' tool which makes it excellent for health practitioners, as well as anyone interested in optimal health and emotional wellness. Deep states of meditation can be easily achieved and has been experienced by many users when using **Mandala Light Alchemy Pulsar**.
