

Product Mapping

Mandala Resonator

Environmental Coherence & Spatial Frequency System

"Mandala Resonator is informed by research on light, sound, and electromagnetic field interaction, supporting its role as an environmental coherence and relaxation-support system."

Mandala Breeze

Wearable Personal Coherence Support

"Mandala Breeze brings coherence-support principles into a wearable format, using gentle light and frequency-based outputs to help users feel centered throughout the day."

Chakra Activator

Daily Energy Alignment & Coherence Tool

"Mandala Resonator, Mandala Breeze, and Chakra Activator are informed by research on light exposure, color stimulation, sound resonance, electromagnetic field interaction, and frequency-based wellness approaches. These references support their role as non-invasive tools for relaxation, coherence, emotional balance, focus, and daily energetic alignment."
